A STUDY ON THE BOOK OF ACTS

January 17, 2021

"I used to believe that I ought to do everything I could to oppose the very name of Jesus the Nazarene. Indeed, I did just that in Jerusalem. Authorized by the leading priests, I caused many believers there to be sent to prison. And I cast my vote against them when they were condemned to death. Many times I had them punished in the synagogues to get them to curse Jesus. I was so violently opposed to them that I even chased them down in foreign cities."
Paul's testimony before King Agrippa : Acts 26:9-11
