

"Do you like where your thoughts are taking you?"

The amazing _____:

- You have _____ cells called neurons.
- Each has about _____ others it can connect with.
- That connection is called a neural _____.
- Each _____ creates its own pathway.
- The more you think a thought, the more _____ and _____ that pathway becomes.

"In ten years, we will each look in the mirror, and someone will stare back. That person will be _____ by the _____ of today." -Craig Groeschel

An honest question: Do I _____ where my thoughts are _____ me?

■ Satan doesn't want you to know this is a _____.

- If you _____ the battle, you cannot _____ the battle. (You cannot _____ what you do not _____.)
- The enemy wants to you _____ or _____ anyone/anything except him!
- Usually _____ at first, he does nothing but _____ to you with increasing frequency and intensity.

■ Here is how we _____ in this battle:

- _____ your thoughts.
- _____ your thoughts.
- _____ destructive thoughts and _____ lies with truth.

■ Our _____ counter-weapon is God's _____:

- Not just _____.
- Using the truth to go "on _____" against the Enemy.
- Letting it _____ and _____ us.
- God truth will...
 - ..._____ our minds.
 - ...help us _____ the _____ of the devil.
 - ..._____ us _____!
- If you are serious, do this _____:
 1. What is a _____ I'm _____?
 2. How does God's _____ that lie?
 3. Write a personal _____ to apply it.

WINNING THE WAR

IN YOUR MIND

June 5, 2022

We use God's mighty weapons, not worldly weapons, to knock down the strongholds of human reasoning and to destroy false arguments. We destroy every proud obstacle that keeps people from knowing God. We capture their rebellious thoughts and teach them to obey Christ.

2 Corinthians 10:4-5 (New Living)
