

It's a New year and we have a new app!

The new App is called **Church Center**. It will become Olivet's central hub for information and connection. You can download the App to your smartphone and get started by following these simple steps:

1. Search for "Church Center" your device App store.
2. Select the App that looks like this  and download the App
3. Once it is installed, click "Open" and "Get Started"
4. Click the "Use My Location" button and select Olivet EFC, then click "This Is My Church"
5. You will log into the App using your phone number as long as you already have an account. If you don't, it will only take a few minutes to create one.
6. Church Center will send you a 6 digit code. Enter that code and click "Next"
7. Finally, click the continue button. You are now connected to Church Center! Use the menu buttons at the bottom of the screen to navigate.

If you don't have a smartphone, you can still log into Church Center on your home computer.

Just type <https://olivetefc.churchcenter.com/pages/home>.
